WORK EXPERIENCE

Intermediate Developer

Pixel Union | July 2019 - October 2024

- Customized Pixel Union Shopify themes by developing new features, templates, and sections in adherence to Shopify standards, while optimizing performance, accessibility, and code quality.

- Proactively updated Pixel Union Shopify themes to ensure compliance with the latest Shopify updates, standards, and theme store requirements.

- Collaborated with a remote, cross-functional team of developers, designers, and technical support advisors to drive successful project outcomes and deliver high-quality results.

- Managed and maintained internal packages, libraries, and shared components, reducing technical debt, and accelerating team development cycles.

- Resolved customer support inquiries with prompt solutions, delivering positive outcomes.

Intermediate Web Developer / Technical Support Supervisor

Out of the Sandbox | March 2016 - July 2019

- Tailored Out of the Sandbox Shopify themes by creating new features, templates, and sections in line with Shopify standards, while enhancing performance, accessibility, and code efficiency.

- Supervised daily technical support operations, overseeing issue resolution, ticket escalation, and staff training, resulting in improved resolution rate and faster response times.

- Analyzed, troubleshot, and resolved customer support inquiries, providing timely and efficient resolutions, driving positive outcomes and maintaining high levels of customer satisfaction.
